THE NAND & JEET KHEMKA FOUNDATION

Founded in 1992, the Center for the Advanced Study of India (CASI) at the University of Pennsylvania is the first research institution in the United States dedicated to the study of contemporary India. A national resource, it fills an urgent need for objective knowledge of India's politics and society, rapidly changing economy, and transformation as an ancient civilization and emerging major power. <http://casi.ssc.upenn.edu>
